TransitAmerica Services, Inc. (TASI) is looking for talented people to join our team. We offer an exciting work environment with excellent opportunities for development and advancement.

We consider employees our most valuable asset and integral to our current and future success. If you are interested in employment with TASI, please click the Apply to Job button below.

TransitAmerica Services, Inc. is currently looking for a **Signal Maintainer** in San Jose, CA.

Duties & Responsibilities:

This position is responsible for installing, inspecting, testing and maintaining train control systems and grade crossing warning device equipment.

- Ensure compliance with all railroad rules and regulations for safety, operations and Federal Railroad Administration (FRA)
- Construct forms and foundations for signal equipment, hydraulic and pneumatic systems
- Install signal/communication structures and components
- Lubricate moving parts on mechanical equipment such as switch machines
- Set up barricades to isolate potentially dangerous situations
- Prepare and paint signal equipment
- Install, inspect, test, repair and maintain communication/signal, train control and electrical equipment
- Provide contractor support as directed
- Load and unload supplies, dig holes and trenches for cable, climb poles and signal masts
- Handle cable and wire to make electrical connections
- Use non-power tools (shovels, picks, axes, sledgehammers); high precision measuring tools (micrometers, voltmeters, amp meters, recorders); hand tools (screw drivers, wrenches, pliers, tape measures); power tools (drills, wrenches, power saws)

The duties and responsibilities in this posting are representative categories to be used in deciding whether to apply for this position. These general categories do not necessarily constitute an exhaustive list of duties of the position.

Qualifications:

- High School Diploma/GED
- Valid Driver's License
- Able to read, write and communicate (speak, hear and understand) English

93 CAHILL STREET • SAN JOSE, CA 95110 • (408) 961-4350 MESSAGE • (408) 961-5295 FAX

- Able to work outdoors in all weather conditions (hot, cold, rain, snow and sleet)
- Available to work a 40-hour work week subject to overtime, on-call and alternate shifts that may include week nights, weekends and holidays
- Available to travel to job sites around the seniority (designated) region and remain on site for extended periods, sometimes days or weeks at a time
- Able to lift and carry up to 30 pounds frequently and up to 60 pounds occasionally
- Able to visually distinguish among red, blue, green and yellow colors
- Able to use hands to perform activities involving holding, grasping, turning and pulling
